

Shear fixture

to determine shear adhesion strength of dispersion adhesives conform to EN1324-Fig.3

- Item No.: THS450-EN1324-Fig3
- Standard temperature range: 0° ... +70°C
- Standard coupling: Af15.9 mm
Further couplings on request
- Body: Steel, nickel coating
- Weight per fixture: Ca. 2.8 kg
- Scope of delivery: 1 fixture
