

## TH141

compression platen  
with guides

Alu ball bearings

top frame to fix in  
tensile tester

guides avoid a damage  
of load cell by  
Transverse forces  
torque

for compression test  
of Cartons, Boxes,  
Chairs

Max. load depends on  
coupling size and  
cage modification

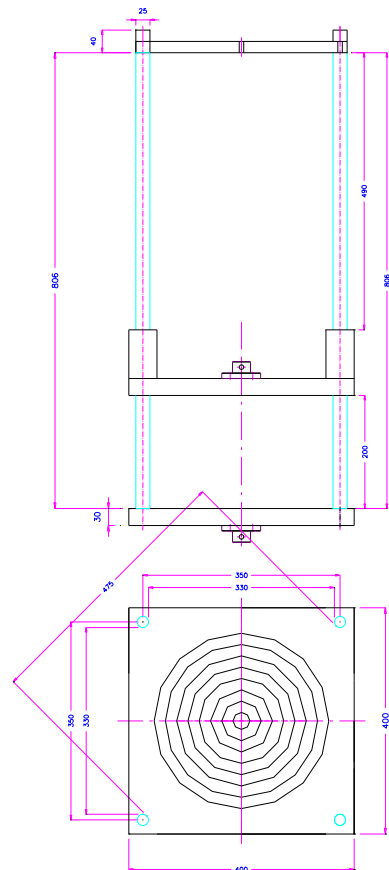

TH141-400x600-Am317

## TH141-400x400

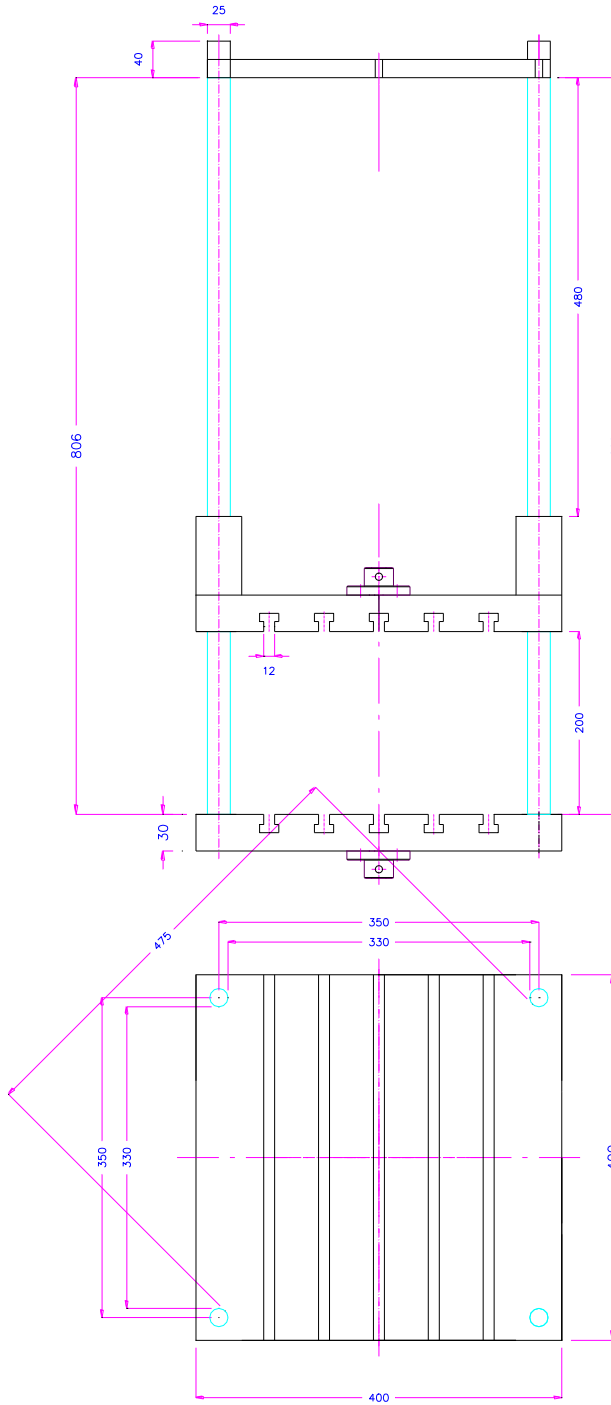

400x400 mm

thickness 30mm

TH141-400-5T12

5x T12 slots
