VERY SMALL PNEUMATIC PIN EXTRACTOR

for small electronic parts such as integrated circuits or printed circuit boards.

Item no.:	THS2074
Max. tensile force:	20 N
Max. clamping force:	50 N at 7 bar
Coupling:	Af8. Further couplings on request.
Opening:	0-5 mm
Clamping surface:	1x2 mm (WxH) Pyramid (serrated) jaws
Material:	Aluminum, anodized
Temperature range:	0 … +70°C Further temperature ranges on request.
Scope of delivery:	1 grip
